### GRAIN MARKET DULL IN LIGHT TRADING

CHICAGO, Dec. 17.-Trade in all RIBSlines was light on the Chicago board of trade Saturday. Wheat finished 14 lower to 14 higher; corn was 1/8 to 1/4 lower. Cats 1/8 to 1/4 higher, CORN-No. 2 yellow 47%@48; No.

inital flurry turned heavy, sagging No. close, when a sharp break was re- 4414 No. 6 white 42

The trade was singularly indifferent to news that 2,250,000 bushels of wheat had been worked for export in two days, and the northwestern grain dealer's association report at Winnipeg, on Canadian production and reserves was also ignored.

Heavy rains making country roads impassable, helped to hold corn firm. Toward the end, however, the break in wheat coupled with the fact that export bids were below a working basis, turned that grain heavy. Oats were dull and merely followed corn.
